

Overview

Title: Kathleen Skullney collection
Call Number: Coll037
Creator: Skullney, Kathleen
Dates: 1984-2001
Size: 8 boxes (12 linear feet)
Language: English
Abstract: The collection contains legal and research materials relating to the Coalition to Preserve Southwest Baltimore County's opposition to the development of a research park on the UMBC campus, now known as bwtech@UMBC Research and Technology Park. Includes reference and historical materials, legal filings (public record), press clippings, Baltimore County budget and legislative documents, environmental assessments, documents submitted by UMBC during the hearings, and supplemental complaints, briefs, that were submitted during the legal proceedings. Proprietary legal records were not included in the donation.
Citation: Kathleen Skullney collection, Collection 37, Special Collections, University of Maryland, Baltimore County (Baltimore, MD).

Administrative/Biographical Note

Skullney represented a group of individuals that opposed the development of the Research Park at UMBC because of the possible negative environmental effects it may have on the surrounding community. Skullney represented the group at the county and federal level, including the case 'United States Ex Rel & Berchie Manly, et al versus Roger Hayden, et al.'

Provenance Information

Provenance and Acquisition Information

Donated in 2003 by Kathy Skullney with the assistance of Dr. Joseph Tatarewicz.

Processing Note

Collection unprocessed.

Descriptive Rules Used

Describing Archives: a Content Standard (DACS)

[Archives Processing Manual: Description \(2015\)](#): The processing manual used in Special Collections for all descriptive platforms, including PastPerfect.

Access & Use

Finding Aids

Folder list available in collection folder.

Finding Aid: <http://library.umbc.edu/speccoll/findingaids/coll037.php>

Access Conditions

Materials are available for research use. There are no restrictions at this time.

Conditions Governing Reproductions and Use

The majority of the materials are a matter of public record; copyright should be determined on an item by item basis.
