AN ACT to add new Section 251A to Article 77 of the Annotated Code of Maryland (1957 Edition), title "Public Education", subtitle "University of Maryland", to follow immediately after Section 251 thereof; to require the University to establish a branch, both graduate and undergraduate, in Baltimore County. 251 THEREOF; TO AUTHORIZE AND EMPOWER THE UNIVERSITY TO ESTABLISH BRANCHES, ONE IN BALTIMORE COUNTY, ONE IN THE CENTRAL EASTERN SHORE AREA, ONE IN THE CENTRAL WESTERN MARYLAND AREA, AND ONE IN THE SOUTHERN MARYLAND AREA.

EXPLANATION: *Italics indicate new matter added to existing law.*  
[Brackets] indicate matter stricken from existing law.  
CAPITALS indicate amendments to bill.  
~~Strike out~~ indicates matter stricken out of bill.

1 WHEREAS, The present graduate and undergraduate enrollment of  
2 the University at College Park is 16,886, and by the Fall of 1967,  
3 it is expected that this figure will be approximately 25,000.

4 WHEREAS, About one-third of the current undergraduates now at-  
5 tending the College Park campus come from the Baltimore metro-  
6 politan area and the greater number of these students come from  
7 Baltimore County.

8 WHEREAS, It will take at least five years to plan, finance and con-  
9 struct new facilities in the Baltimore metropolitan area and to delay  
10 will mean further overcrowding at the College Park campus and  
11 perhaps mean a denial of a college education to some qualified  
12 Maryland students.

13 WHEREAS, If a branch of the University of Maryland were estab-  
14 lished in Baltimore County, it would not only provide the relief which  
15 is so necessary for the ever-increasing number of qualified students  
16 but also it would serve as a nucleus for scientific research and de-  
17 velopment in this area.

18 WHEREAS, Baltimore County is blessed with a number of science-  
19 based industries which are currently engaged in highly specialized  
20 research and development work and a graduate branch of the Uni-  
21 versity would undoubtedly be of great assistance to these industries  
22 and would attract new industry into the metropolitan region.

23 WHEREAS, IT WOULD BE OF GREAT VALUE ALSO TO  
24 OTHER PORTIONS OF THE STATE IF BRANCHES OF THE  
25 UNIVERSITY WERE CONSTRUCTED ON THE EASTERN  
26 SHORE, IN WESTERN MARYLAND, AND IN SOUTHERN  
27 MARYLAND.

1 SECTION 1. *Now, therefore, be it enacted by the General Assembly*
