UMBC

ALUMNI ASSOCIATION

Fall, 1986

MADRIGAL FEST

The Madrigal Fest recaptures the true spirit of medieval holiday festivals and presents it to the UMBC community on Saturday, December 6.

The Fest brings to life singers to entertain you, jugglers to amuse you, dancers to dazzle you and wenches to serve you a feast fit for a king.

Alumni tickets will be available for a special price of \$16 through November 17. After that date the price will return to the regular price of \$17.50. Reservations can be made by calling the Alumni Affairs Office, 455-2901.

ANNIVERSARY CELEBRATION

Despite the efforts of the Alumni Anniversary Committee, the 20th Anniversary Dinner-Dance celebration did not take place as planned. We would like to thank all those alumni who took the time to respond. We hope to hold a similar event in the future.

BOARD OF DIRECTORS NOMINATIONS

Nominations are currently being accepted for the UMBC Alumni Association Board of Directors. You may nominate yourself or a fellow UMBC Alumnus. ALL NOMINATIONS ARE DUE BY FRIDAY, NOVEMBER 21, 1986. Nominees will be elected by ballot.

For more information about these positions, call the Office of Alumni Affairs, 455-2901.

STUDENT-ALUMNI GROUP

Bringing alumni together... making new contact with the university... establishing a communication network between each other and students... this is what the Alumni Association is all about.

Students are beginning to reach out to alumni for support and guidance. The Association is responding with the creation of a student-alumni organization. Through this group, students would be a physical link of alumni to the campus.

The students would represent the Alumni Association at campus events and programs, and participate in alumni activities.

If you are interested in working with these students, contact Barbara Quinn in the Alumni Office, 455-2901.

CAREER FAIR

The UMBC Career Fair will be held on Wednesday, November 12, from 1 to 4 p.m. in the University Center Ballroom. Alumni are invited to attend!

Over 60 companies and government agencies are participating. The Career Fair is sponsored by the Career Development & Placement Center and the Office of Cooperative Education.

If interested, bring copies of your resume, dress for interviews and be prepared to learn about the employing institutions. For more information, call the Career Development Office at 455-2216.

BE A BELIEVER IN OUR
RETRIEVER

300 lb. Chesapeake Bay Retriever seeking good home. Eager to sit outside UMBC's fieldhouse in rain, snow, and blazing sun. Desperately wants to be a legend in his own time.

The UMBC Athletic Department is mounting a mini-campaign to finish buying the beast, asking students, friends, and our alumni to put their paws where their purses are.

The Athletic Department is attempting to put some much needed tradition on the UMBC campus, and they need our help. Please contribute what you can. If you have any ideas of how we can assist in this effort, please give us a call.

There's a new excitement on campus. Be apart of a new beginning. "It's a whole new ballgame."

UMBC BASKETBALL TEAM
GOES DIVISION I

Division I basketball will hit the UMBC campus by storm this winter. New Head Men's Basketball Coach Jeff Bzdelik has brought in a group of newcomers that will have an immediate impact on UMBC basketball. The Retrievers face a rigorous schedule that features Maryland-College Park, Navy, and Northwestern. UMBC also has ten home games including 1985-86 NIT entrant Northern Arizona (December 2nd), and local rivals Towson State (Alumni Night, December 20), Coppin State and the mighty Mount St. Mary's.

Sue Furnary's women's team will try to duplicate their outstanding season of a year ago, when they won 20 games. The team will be lead by District III All-American Tammy McCarthy.

The women also play a tough Division I slate that features Maryland-College Park, Florida, and Northwestern. Feature home games for women are against Liberty (December 2nd), Delaware and Mount St. Mary's.

NEW SWIM TEAM

In its initial season, the men's and women's swimming and diving teams begin their arduous schedule in mid-November. Head Coach Sid Burkot is responsible for building the program into a regional contender. Retrievers to watch are Bill Walker and Beth Killen. UMBC will face such teams as West Virginia, Drexel, George Washington and American all at home this season.
