Provenance Information

Provenance and Acquisition Information

Collection was donated in multiple parts from the Baltimore Sun. A selection of UMBC-related prints were purchased by the Library in 2014.

Related Collections

Processing Note

Collection is unprocessed. The photo prints were arranged in 2006-2007 by Special Collections students under supervision of Archivist Marcia Peri; photos of people were arranged alphabetically and the remaining prints were sorted by subject. A folder list is available. The negatives and transparencies (1983-1987) are stored in the original file cabinets; depending on the year, they are arranged by date or by the last name of the photographer. Most of the sports related negatives have been separated out into one filing cabinet. Photographers logs are available for 1983-1986.
